DESCRIZIONE

Bando per la raccolta di progetti congiunti di ricerca in attuazione dell'accordo di cooperazione scientifica e tecnologica tra Italia e Serbia, siglato a Roma nel dicembre 2009 e in vigore dal 5 febbraio 2013.

Il bando finanzia lo **scambio di ricercatori** e **progetti di particolare rilevanza**.

Ogni ricercatore può proporre un solo progetto di ricerca.

I **settori di interesse** cui dovranno attenersi i progetti di ricerca sono:

- Basic Sciences
- Health and Well-being
- Agriculture and Food Technology
- Secure, Clean and Efficient Energy - Environmental Development and Protection
- Information and Communication Technologies, including technologies applied to Cultural Heritage
- Advanced Manufacturing and Processing, Nanotechnology and Biotechnology

Within the framework of the Scientific and Technological Cooperation Agreement between the Government of the Republic of Italy and Government of the Republic of Serbia, signed in Rome, on December 21st 2009, and entered into force on February 5th 2013, the Directorate General for Country Promotion (Economy, Culture and Science) - Unit for Scientific and Technological Cooperation of the Italian Ministry of Foreign Affairs and International Cooperation and the Serbian Ministry of Education, Science and Technological Development initiate herewith the procedures for the drafting of the Executive Programme of Scientific and Technological Cooperation for the years 2016-2018.

Submissions of joint research projects by researchers of both countries are invited with the aim of encouraging scientific and technological cooperation between Italy and Serbia. Each researcher may submit one project only.

The researchers will be entitled to the exchange only if they hold nationality of one of the two countries signing this Executive Programme or if they hold an EU nationality and are legally resident in one of the two countries.

Financing will be granted within the limits of the available annual resources of each Party.

Projects may be submitted in the following priority research areas of cooperation:

- Basic Sciences
- Health and Well-being
- Agriculture and Food Technology
- Secure, Clean and Efficient Energy - Environmental Development and Protection
- Information and Communication Technologies, including technologies applied to Cultural Heritage
- Advanced Manufacturing and Processing, Nanotechnology and Biotechnology

Scambio di ricercatori

Il contributo pubblico coprirà solo i costi dello scambio di ricercatori tra i due paesi necessario alla realizzazione del progetto, con importi differenziati a seconda del soggiorno in Italia o in Serbia.

Progetti di particolare rilevanza

I progetti di particolare rilevanza selezionati dal MAE potranno accedere ad un apposito bando di finanziamento, generalmente pubblicato nel mese di gennaio.

EXCHANGE OF RESEARCHERS

Only the cost of the exchange of researchers will be financed. For each project 1 short-term stay (up to 10 days) in Italy and 1 short-term stay (up to 10 days) in Serbia may be financed yearly within the limits of the available annual resources of each Party. The Italian Party will pay the international travel expenses to researchers holding Italian nationality (or any EU nationality and resident in Italy) and will provide a contribution of 93 Euro per day for short-term stay towards accommodation expenses in Italy to researchers holding Serbian nationality (or any EU nationality and permanently resident in Serbia). The Serbian Party will pay the international travel expenses to researchers holding Serbian nationality (or an EU nationality and resident in Serbia) and will provide a contribution of 90 Euro (converted in RSD) per day for short-term stay towards accommodation expenses in Serbia to researchers holding Italian nationality (or any EU nationality and permanently resident in Italy).

PROJECTS OF "PARTICULAR RELEVANCE"

The significant joint research projects selected and listed in the Executive Programme will constitute a short-list of projects entitled to apply for funding in accordance with the specific call for proposals issued by the Unit for Scientific and Technological Cooperation of the Directorate General for Country Promotion (Economy, Culture and Science) of the Italian Ministry of Foreign Affairs and International Cooperation and published on the web every year. The call for proposals is usually released in the month of January for the current funding year.

Details on such projects (in compliance with Law 401/90) are available on the website of the Italian Ministry of Foreign Affairs and International Cooperation under the following link:
